39. If the Council think fit, in any case, they may direct the Registrar to restore to the register any name or entry erased therefrom, either without fee, or on payment of such fee, not exceeding the registration fee, as the Council may from time to time fix, and the Registrar shall restore the same accordingly.

40. The Council shall for the purpose of exercising, in any case, the powers of erasing from and restoring to the register the name of any person or any entry, ascertain the facts of such case by a committee of their own body, not exceeding five in number, of whom the quorum shall be not less than three; and a written report of the committee may be acted upon as to the facts therein stated for the purpose of the exercise of the said powers by the Council.

41. The Council shall from time to time appoint and shall always maintain a committee for the purpose of the six last preceding sections, and, subject to the provisions of this Act, may from time to time determine the constitution and the number and tenure of office of the members of the committee.

42. The committee shall meet from time to time for the dispatch of business, and, subject to the provisions of this Act and of any regulations from time to time made by the Council, may regulate the summoning, notice, place, management and adjournment of such meetings, the appointment of a chairman, the mode of deciding questions, and generally the transaction and management of business, including the quorum; and if there be a quorum the committee may act, notwithstanding any vacancy in their body. In case of any vacancy the committee may appoint a member of the Council to fill the vacancy until the next meeting of the Council.

43. The committee under the four last preceding sections may, for the purpose of the execution of their duties under this Act, employ at the expense of the Council such legal or other assessor or assistant as the committee may think necessary or proper, and the person whose conduct is the subject of inquiry shall also have the right to be represented by counsel.

44. At least one week before the first meeting of the committee to be held for taking the evidence or otherwise ascertaining the facts, a notice shall be served upon the person whose conduct is the subject of inquiry, and such notice shall embody a copy of the charges made against him, or a statement of the subject matter of the inquiry, and shall also specify the time and place of such meeting. The testimony of witnesses shall be taken under oath, which the chairman, or acting chairman of the committee is hereby authorized to administer, and there shall be full right to cross-examine all witnesses called, and to call evidence in defense and reply. In the event of the non-attendance of the person whose conduct is the subject of such inquiry, the committee may, upon proof of personal service of the notice aforesaid in accordance with the provisions of this section, which proof of service may be by statutory declaration, proceed with the subject matter of the inquiry in his absence, and make their report of the facts without further notice to such person.

Appeal.

45. No action shall be brought against the Council or the said committee for anything done bona fide under this Act, notwithstanding any want of form in the proceedings; but any person whose name has been ordered to be erased from the register may appeal from the decision of the Council to any Judge of the Supreme Court of British Columbia, at any time within six months from the date of the order for such erasure, and such Judge may, upon the hearing of such appeal, make such order as to the restoration of the name so erased, or confirming such erasure, or for further inquiries by the committee or Council into the facts of the case, and as to costs, as to such Judge shall seem right in the premises.

46. The appeal may be by summons served upon the Registrar to show cause, and shall be founded upon a copy of the proceedings, before the committee, the evidence taken, the committee's report, and the order of the Council in the matter, certified by the Registrar; and the Registrar shall upon the request of any such person desiring to appeal, furnish to any such person a certified copy of all proceedings, reports, orders and papers upon which the committee have acted in making the order complained of.

48. In all cases where proof of registration under this Act is required to be made, the production of a certificate that the person or persons therein named is or are duly registered, certified under the hand of the Registrar of the Council and the seal of the College for the time being, shall be sufficient evidence of such registration in lieu of the production of the original register; and any such certificate purporting to be signed by any person in the capacity of the Registrar of the Council under this Act shall be prima facie evidence that such person is such Registrar without any proof of his signature or of his being in fact such Registrar.

49. The Registrar of the Council shall, from time to time, under the direction of the Council, cause to be printed and published a correct register in the form set forth in the first schedule of this Act, or to the like effect, of the names of all persons appearing on the register, as existing on the day of publication, in alphabetical order according to their surnames, with their respective residences, and together with the medical titles, diplomas and qualification conferred by any college or body, and the date thereof.

50. A copy of such register for the time being purporting to be so printed and published as aforesaid shall be prima facie evidence in all Courts, and before all Justices of the Peace and others, that the persons therein specified are registered according to the provisions of this Act.

51. In the case of any person whose name does not appear in such copy, a certified copy under the hand of the Registrar of the Council and the said seal of the said college, of the entry of the name of such person on the register shall be evidence that such person is registered under the provisions of this Act.

52. Except as in the last preceding section mentioned, the absence of the name of any person from such copy shall be prima facie evidence that such person is not registered according to the provisions of this Act.

MANITOBA MEDICAL ACT.

(XLIX VIC. CAP. XXXI.)

AN ACT

Respecting the Profession of Medicine and Surgery.

[Assented to 28th May, 1886.]

Her Majesty, by and with the advice and consent of the Legislative Assembly of Manitoba, enacts as follows:

1. This Act may be cited as the "Manitoba Medical Act."

2. The medical profession of Manitoba, heretofore incorporated under the name and style of "The College of Physicians and Surgeons of Manitoba," shall be deemed to be and to have been from its first establishment a body corporate by the name aforesaid, having perpetual succession and a common seal, with power to acquire, hold and dispose of chattel property and real estate for the purpose of this Act and to sue and be sued in the manner usual with such corporations.

3. Every person registered according to the provisions of the Act chaptered 9 of the Consolidated Statutes of Manitoba relating to the medical profession and of the Acts amending the same shall be a member of the said College of Physicians and Surgeons of Manitoba.

4. Every person hereafter registered under the provisions of this Act shall also be a member of the said college.

5. There shall be a Council of the said College of Physicians and Surgeons of Manitoba to be appointed in the manner hereinafter provided for in this Act, and referred to in this Act as the "Council."

6. The Council shall be composed of the following persons:

(1) Three members to be chosen from the Manitoba Medical College who shall be selected from amongst the members of the corporation at a regular meeting thereof duly called for that purpose.

(2) Two members to be chosen in a similar manner from the members of the corporation of any medical college in the Province of Manitoba that may hereafter become affiliated with the University of Manitoba.

(3) Three members to be chosen by the licensed practitioners of the city of Winnipeg.

(4) Three members to be chosen by the licensed practitioners of each of the electoral districts of Selkirk and Marquette as divided at present for representation in the House of Commons.

(5) One member to be chosen by the licensed practitioners of each of the electoral divisions Provencher and Lisgar as divided at present for representation in the House of Commons.

(6) No person shall be eligible for election as a member of the Council except he is a practitioner licensed under this Act, and no teacher or lecturer in the above mentioned college or colleges shall hold a seat in the Council except he is elected by the medical College as its representative, and no person shall be elected under subdivisions 3, 4 and 5 of this section except he be a resident within the territory he may represent.

(7) The first election of members of the Council under this Act shall be held in the month of September, A.D. 1886, and on the particular day and in the manner to be prescribed by a by-law of the present Medical Board of the College of Physicians and Surgeons of Manitoba under the said Act now in force relating to the medical profession; and thereafter the manner of holding such elections shall, with respect to the time thereof and the taking the votes thereof, be determined by a by-law to be passed by the Council, and in default of such by-law being made for either the first or subsequent elections the Lieutenant-Governor shall prescribe the time and manner of holding such election or elections.

7. The members of the Council provided for by sub-sections 3, 4 and 5 of section 6 of this Act shall be elected for a period of three years, but any member, whether elected to represent a medical college or a territorial division, may resign his appointment at any time by letter addressed to the president or registrar of the Council; and upon the death or resignation of any member of the Council it shall be the duty of the registrar forthwith to notify the college wherein such vacancy has occurred of such death or resignation, and such college shall have the power to nominate another duly qualified person to fill such vacancy; or if the vacancy be caused by the death or resignation of any member elected from a territorial division, the registrar shall forthwith cause a new election to be held in such territorial division in such manner as may be provided for by by-law of the Council, and such election shall be conducted in accordance with the by-laws and regulations of the Council, but it shall be lawful for the Council during such vacancy to exercise the powers hereinafter mentioned.

8. In case of any doubt or dispute as to the legality of the election of any member of the Council, it shall be lawful for the Council to hold an inquiry and decide who is the legally elected member of the Council; and the person whom they decide to have been elected shall be and be deemed to be the member legally elected; and if such election is found to have been illegal the Council shall have power to order a new election.

9. The said elected members of the Council shall, together with the members to be appointed or elected by the college or colleges as mentioned in section 6 of this Act, hold their first meeting at such time and place as may be fixed by by-law of the said Medical Board, and shall make such rules and regulations as to the time and place of subsequent meetings of the Council, and the mode of summoning future meetings of the Council, and it shall be lawful for the president thereof, or in the event of his absence or death, for the registrar to summon the same at such time and place as to him may seem fit, by circular letter to be mailed to each member.

(1) At least two weeks' notice of such meeting shall be given, and in the event of the absence of the president from any meeting, the vice-president or in his absence some other member, to be chosen from among the members present, shall act as president.

(2) All acts of the Council shall be decided by the majority of the members present, not being less than seven in number.

(3) At all meetings the president for the time being shall have a casting vote only.

10. There shall be paid to the members of the Council such fees for attendance not exceeding $5.00 per day, and traveling expenses not exceeding 10 cents a mile one way, as may from time to time be fixed by by-law passed by the said Council.

11. The Council shall annually appoint from amongst themselves a president, vice-president, registrar, treasurer, and such other officers as may from time to time be necessary for the working of this Act, who shall hold office during the pleasure of the Council; and the said Council shall have power to fix by by-law from time to time the salaries or fees to be paid to such officers.

12. The Council shall appoint annually from amongst its members an "Executive Committee," to take cognizance of and action upon all such matters as may be delegated to it by the Council or such as may require immediate interference or attention between the adjournment of the Council and its next meeting, and all such acts shall be valid only till the next ensuing meeting of the Council; but such committee shall have no power to alter, repeal or suspend any by-law of the Council.

13. The Council shall cause to be kept by an officer appointed by them and to be called the registrar, a book or register in which shall be entered the name of every person registered according to the provisions of this Act or the Acts mentioned in the third section of this Act; and from time to time the names of all persons who have complied with the enactments hereinafter contained, and with the rules and regulations made or to be made by the Council respecting the qualifications to be required from practitioners of medicine, surgery or midwifery in this province; and those only whose names are inscribed in the book or register above mentioned, shall be deemed to be qualified and licensed to practice medicine, surgery and midwifery in this province, and such book or register shall at all times be open and subject to inspection by any duly registered practitioner in Manitoba.

14. It shall be the duty of the registrar to keep his register correct in accordance with the provisions of this Act, and the rules, orders and regulations of the Council, and he shall from time to time make the necessary alterations in the addresses or qualifications of the persons registered under this Act; and the said registrar shall perform such other duties as may be imposed upon him by the Council.

15. Each member of the college shall pay to the registrar, or to any person deputed by the registrar to receive it, such annual fee as shall be determined by by-law of the Council, not less than $2.00 and not more than $5.00 toward the general expenses of the college, which last mentioned fee shall be payable on the first day of January in the year in which the same is imposed; and such fee shall be a debt deemed to be due by the member of the college, and shall be recoverable with costs of suit in the name of the College of Physicians and Surgeons of Manitoba in the County Court where the member resides.

16. The Council shall from time to time, as occasion may require, make orders, regulations or by-laws for regulating the registers to be kept under this Act, and the fee to be paid for registration.

17. Every person registered under this Act who obtains a higher degree or any qualification other than the qualification in respect of which he has been registered, shall be entitled to have such higher degree or additional qualification inserted in the register in substitution or in addition to the qualification previously registered on the payment of such fees as the Council may appoint.

18. No qualification shall be entered on the register either on the first registration or by way of addition to a registered name unless the registrar is satisfied by proper evidence that the person claiming it is entitled to it; and any appeal from the decision of the registrar may be decided by the Council; any entry proved to the satisfaction of the Council to have been fraudulently or incorrectly made, may be erased from the register by an order in writing of the Council.

(1) In the event of the registrar being dissatisfied with the evidence adduced by the person claiming to be registered, he shall have power, subject to an appeal to the Council, of refusing the said registration until the person claiming to be registered has furnished such evidence duly attested by oath or affirmation, before the judge of the County Court of any county.

19. Any registered medical practitioner who has been convicted of any felony or misdemeanor in any court shall thereby forfeit his rights to registration, and by direction of the Council his name shall be erased from the register; or in case a person known to have been convicted of felony presents himself for registration, the registrar shall have power to refuse such registration, and if any person registered under this Act shall, after due inquiry by the Council, be judged to have been guilty of infamous or unprofessional conduct in any respect, the Council may, if it see fit, direct the registrar to erase the name of such person from the register.

20. Every person registered under the provision of this Act shall be entitled according to his qualification or qualifications to practice medicine, surgery or midwifery, or

any of them, as the case may be, in the Province of Manitoba, and to demand and recover in any court of law, with full costs of suit, reasonable charges for professional aid, advice and visits, and the cost of any medicine or other medical appliances rendered or supplied by him to his patients.

21. The registrar of the Council shall, from time to time, under the direction of the Council, cause to be printed and published a correct register of the names in alphabetical order according to the surnames, with the respective residences in the form set forth in Schedule "A" to this Act, or to the like effect, together with the medical titles, diplomas and qualifications conferred by any college or body with the dates thereof, of all persons appearing on the register as existing on the day of publication; and such register shall be called "The Manitoba Medical Register," and a copy of such register for the time being purporting to be so printed and published as aforesaid, shall be prima facie evidence in all courts and before all justices of the peace and others, that the persons therein specified are registered according to the provisions of this Act, and subject to the provisions of sub-section 1 of this section; the absence of the name of any person from such copy shall be prima facie evidence that such person is not registered according to the provisions of this Act.

(1) In the case of any person whose name does not appear in such copy, a certified copy under the hand of the registrar of the Council of the entry of the name of such person on the register shall be evidence that such person is registered under the provisions of this Act.

22. The registrar shall immediately upon his appointment enter in the register the name of every person mentioned in the third section of this Act without the payment of any fee whatever.

23. Every person who possesses one or more of the following qualifications shall, upon payment of the fee to be fixed for each particular class by by-law of the Council, be entitled to be registered on producing to the registrar the document proving such qualification.

(1) Every person who now is or within two years would become entitled to registration under the said Act chaptered 9 of the Consolidated Statutes of Manitoba, and who applies to the registrar for registration within two years after the date of the passing of this Act.

(2) After the expiration of two years from the date of the passing of this Act any member of any incorporated College of Physicians and Surgeons of any province of the Dominion of Canada, or any member of any other incorporated body of medical men in Canada exercising powers similar to those conferred by this Act upon the College of Physicians and Surgeons of Manitoba whereby the laws of the province under which the said incorporated body exists, similar rights to registration and to practice medicine are granted to the persons incorporated under this Act.

(3) Every person mentioned in chapter 29 of the Imperial Act, passed in the thirty-first year of Her Majesty's reign.

(4) Every graduate in medicine by examination of the University of Manitoba.

(5) Every person who hereafter produces to the registrar the certificate under the corporate seal of the University of Manitoba, mentioned in the twenty-fourth section of this Act.

24. 25. The Council shall from amongst themselves, at a meeting specially called for that purpose, select annually seven persons to be members of the University Council, and of these seven persons so to be selected three shall be members of the Manitoba Medical College, as provided in the first sub-section of section 6 of this Act.

(1) The said seven persons shall be selected in the manner provided by by-law or resolution of the Council, and they shall thereby become members of the Council of the University of Manitoba within the meaning of section 3 of the Act known as "The University Act of Manitoba."

26. Section 13 of the Act passed in the forty-seventh year of Her Majesty's reign, chaptered 62, is hereby repealed, and all that portion of section 11 of the said Act beginning with the words "and in such" in the fourth line to the end of the section, is hereby repealed.

27. The Council may from time to time submit to a general meeting of the College of Physicians and Surgeons duly called for that purpose, a tariff of professional fees and charges, and upon such tariff of fees receiving the approval of a majority of the meeting, the same shall thereafter, until changed as above provided, be held in all courts of justice prima facie to be a reasonable scale of charges.

Offenses and Penalties.

28. Any person entitled to be registered under this Act, but who neglects or omits to be so registered, shall not be entitled to any of the rights or privileges conferred by registration under the provisions of this Act, so long as such neglect or omission continue, and he shall be liable to all the penalties imposed by this Act, or by any other Act in force against unqualified or unregistered practitioners.

29. If the registrar makes or causes to be made any wilful falsification in any matter relating to the register, he shall incur a penalty of $50, and shall be disqualified from again holding that position.

30. If any person procures or causes to be procured his registration under this Act by means of any false or fraudulent representations or declaration, either verbally or in writing, it shall be lawful for the registrar, upon the receipt of sufficient evidence of the falsity or fraudulent character of said representations or declaration, to represent the matter to the Council, and upon the written order of the President, attested by the seal of the college, to erase the name of such person from the register, and to make known the fact and cause of such erasure by notice to be published in the Manitoba Gazette; and after such notice has appeared the person whose name has been erased as aforesaid shall cease to be a member of the College of Physicians and Surgeons of Manitoba, and shall cease to enjoy any of the privileges enjoyed or conferred by registration under this Act at any further time without express sanction of the Council.

(1) If any person wilfully procures or attempts to procure himself to be registered under this Act by making any false or fraudulent representation or declaration, either verbally or in writing, he shall, on conviction thereof before any justice of the peace, incur a penalty not exceeding $100; and every person knowingly aiding or assisting him therein, shall, on conviction thereof, incur a penalty of not less than $20 or more than $50 for each offense.

31. It shall not be lawful for any person not registered to practice medicine, surgery or midwifery for hire, gain or hope of reward, and if any person not registered pursuant to this Act, for hire, gain or hope of reward practices or professes to practice medicine, surgery or midwifery, or advertises to give advice in medicine, surgery or midwifery, he shall, upon a summary conviction thereof before any justice of the peace, for any and every such offense pay a penalty not exceeding $100 nor less than $25.

32. Any person who wilfully or falsely pretends to be a physician, doctor of medicine, surgeon or general practitioner, or assumes any title, addition or description other than he actually possesses and is legally entitled to, shall be liable on conviction thereof, before a justice of the peace, to a penalty not exceeding $50 nor less than $10.

33. Any person not registered pursuant to this Act, who takes or uses any name, title, addition or description implying or calculated to lead people to infer that he is registered under this Act, or that he is recognized by law as a physician, surgeon, accoucher, or a licentiate in medicine, surgery or midwifery, shall be liable, upon a summary conviction thereof before a justice of the peace, to pay a penalty not exceeding $100 nor less than $25.

34. No person shall be entitled to recover any charge in any court of law for any medical or surgical advice, or for attendance, or for the performance of any operation, or for any medicine which he may have prescribed or supplied, unless he is registered under this Act; but this section shall not extend to the sale of any drug or medicine by any duly licensed chemist or druggist.

35. No person shall be appointed as medical officer, physician or surgeon in any branch of the public service of this province, or in any hospital or other charitable institution not supported wholly by voluntary contributions unless he is registered under the provisions of this Act.

36. No certificate required by any Act now in force or that may hereafter be passed from any physician or surgeon or medical practitioner shall be valid unless the person signing the same is registered under this Act.

37. 38. All prosecutions against any one acting in contravention of the provisions of this Act shall take place in accordance with the Act of the Parliament of Canada respecting the duties of justices of the peace out of sessions in relation to summary convictions and orders, and any Act or Acts amending the same.

39. Any person convicted under this Act who gives notice of appeal against the decision of the convicting justice shall be required before being released from custody to give the said justice satisfactory security for the amount of the penalty, costs of conviction and appeal.

40. In any trial under this Act the burden of proof as to registration shall be upon the person charged.

41. In all cases where proof of registration under this Act is required to be made, the production of a certificate that the person or persons therein named is or are duly registered, certified under the hand of the registrar of the Council for the time being shall be sufficient evidence of such registration in lieu of the production of the original register; and any such certificate purporting to be signed by any person in his capacity of registrar of the Council under this Act shall be prima facie evidence that such person is such registrar without any proof of his signature or of his being in fact such registrar.

42. Every prosecution under this Act shall be commenced within six months from the date of the alleged offense.

43. The Council, by an order signed by the president having the seal of the college appended thereto, may stay proceedings in any prosecution under this Act where it is deemed expedient.

AN ACT

To Amend the "Manitoba Medical Act."

[Assented to 18th May, 1888.]

Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Manitoba, enacts as follows:

1. In addition to the members composing the Council of the College of Physicians and Surgeons of Manitoba, as provided in chapter 31 of the Statutes passed in the forty-ninth year of Her Majest's reign, the licensed practitioners in homeopathy in the province shall be entitled to have representation in said Council, and to choose an additional member or additional members thereof as hereinafter provided.

2. The Lieutenant-Governor shall appoint a registered homeopathic practitioner to be a member of the said Council who shall hold office until the next election of members of said Council, under sub-sections 3, 4 and 5 of section 6 of said Act, unless his place shall in the meantime become vacant by death or resignation.

3. At the next election and at all subsequent elections of members of the Council under the said Act the homeopathic practitioner who shall be licensed and registered under said Act shall be entitled to elect a representative or representatives as follows: Until the number of homeopathic registered practitioners in the province shall reach more than fifteen, they shall be entitled to elect one representative, and after the number shall exceed fifteen they shall at the first election thereafter be entitled to elect an additional representative, and upon their exceeding thirty they shall at the first election thereafter be entitled to elect an additional member, and so on, so as to entitle them to elect an additional representative for every additional fifteen registered practitioners in the province, and in all cases only a registered practitioner shall be eligible for election as a homeopathic representative.

4. The manner and time of holding the elections for homeopathic representatives shall be as far as applicable those prescribed by the by-laws of the Council for holding the election of other elected members, and the Council shall by by-law make any further provisions that may be requisite for the holding of such elections, and in default thereof the Lieutenant-Governor shall prescribe such provisions as he may deem proper for such purpose.

5. In case of the death or resignation of any homeopathic member of the Council before the number of representatives shall be as many as three, the Lieutenant-Governor shall appoint his successor to hold office until the next succeeding election of members; and upon the number reaching three then in case of such death or resignation the remaining homeopathic members of the Council shall fill the vacancy.

6. The provisions of said Act applicable to members elected under said sub-sections, with the exception of the provisions as to filling of vacancies, shall apply to such homeopathic representatives, and all the registered homeopathic practitioners in the province, and they only shall be eligible to vote for homeopathic representatives, and no homeopathic member of the college shall be allowed to vote for any other than homeopathic candidates or representatives.

7. Any person who was actually practicing medicine, surgery or midwifery according to the principles of homeopathy in this province for five years prior to the first day of May, A.D. 1888, and at such date the holder of a diploma from a medical college recognized or which may be recognized as hereinafter mentioned, may within six months after this Act shall come into operation apply to the Lieutenant-Governor-in-Council to be registered under this section, whereupon the Lieutenant-Governor shall appoint one or more registered homeopathic practitioners in the province to examine him as to his qualifications and the course of studies taken by him and upon such homeopathic practitioner or practitioners certifying to the registrar of the Council that he or they approve of his qualifications, such persons shall, upon payment of the usual fees and the fees connected with such examination, be entitled and shall be admitted to registration under the said Act.

8. The following sub-sections are hereby added to section 24 of the said Act.

(1) Until a Homeopathic Medical College for teaching purposes is established in Manitoba, in the cases of candidates wishing to be registered as homeopathists, the full time of attendance upon lectures and hospitals required by the University Statutes may be spent in such homeopathic medical colleges in the United States or in Europe as may or shall be recognized by the University of Manitoba.

(2) Every candidate who at the time of his examination signifies his wish to be registered as a homeopathic practitioner shall not require to pass an examination in either materia medica or therapeutics, or in the theory or practice of physic, or in surgery or midwifery, except the operative practical parts thereof, before any examiners other than homeopathic examiners who shall from time to time be appointed by the University of Manitoba.

9. No duly registered member of the College of Physicians and Surgeons of Manitoba shall be liable in any action for negligence or malpractice by reason of professional services requested or rendered unless such action be commenced within one year from the date when in the matter complained of such professional services terminated.

10. Section 19 of this Act is hereby amended by inserting therein after the word "court" in the second line thereof the words "either before or after the passing of this Act and either before or after he is so registered," and also by inserting after the word "felony" in the fifth line thereof the words or "misdemeanor."

11. The Council may and upon the application of any three registered medical practitioners shall cause inquiry to be made into the case of a person alleged to be liable to have his name erased under this section, and on proof of such conviction or of such infamous or unprofessional conduct shall cause the name of such person to be erased from the register, provided that the name of a person shall not be erased under this section on account of his adopting or refraining from adopting the practice of any particular theory of medicine or surgery, nor on account of a conviction for a political offense out of Her Majesty's dominions, nor on account of a conviction for an offense which, though within the provisions of this section, ought not in the opinion of the Council or the committee hereinafter named, either from the trivial nature of the offense or from the circumstances under which it was committed to disqualify a person from practicing medicine or surgery.

12. The Council may order to be paid out of any funds at their disposal such costs as to them may seem just to any person against whom any complaint has been made which when fully determined is found to have been frivolous and vexatious.

13. Where the Council direct the erasure from the register of the name of any person or of any other entry the name of that person or that entry shall not be again entered on the register except by the direction of the Council or by the order of a judge or of a court of competent jurisdiction.

14. If the Council think fit in any case they may direct the Registrar to restore to the register any name or entry erased therefrom either without fee or on payment of such fee not exceeding the registration fee as the Council may from time to time fix, and the registrar shall restore the same accordingly.

15. The Council shall for the purpose of exercising in any case the power of erasing from and of restoring to the register the name of a person or any entry, ascertain the facts of such case by a committee of their own body not exceeding five in number, of whom the quorum shall be not less than three, and a written report of the committee may be acted upon as to the facts therein stated for the purpose of the exercise of the said powers by the Council.

16. The Council shall from time to time appoint, and shall always maintain, a committee for the purposes of this section, and subject to the provisions of this section may from time to time determine the constitution and the number and tenure of office of the members of the committee.

(a) In any case to be tried or inquired into outside of the city of Winnipeg, the Council may appoint a special committee whose powers and authorities shall be as provided in this Act.

17. The committee shall meet from time to time for the dispatch of business, and subject to the provisions of this section and of any regulations from time to time made by Council, may regulate the summoning, notice, place, management and adjournment of such meetings, the appointment of a chairman, the mode of deciding questions and generally the transaction and management of business, including the quorum, and if there is a quorum the committee may act notwithstanding any vacancy in their body. In case of any vacancy the committee may appoint a member of the Council to fill the vacancy until the next meeting of the Council.

18. The committee under this section may for the purpose of the execution of their duties under this Act employ at the expense of the Council such legal or other assessor or assistant as the committee may think necessary or proper; and the person whose conduct is the subject of inquiry shall also have the right to be represented by counsel, provided that all meetings of any such committee when held for taking evidence or otherwise ascertaining the facts shall be held within the judicial district where the member complained of resides or the alleged offense has been committed unless he shall personally or by a counsel or agent consent to have the inquiry held elsewhere.

19. At least one week before the first meeting of the committee to be held for taking the evidence or otherwise ascertaining the facts a notice shall be served upon the person whose conduct is the subject of inquiry, and such notice shall embody a copy of the charges made against him or a statement of the subject matter of the inquiry, and shall also specify the time and place of such meeting; the testimony of witnesses shall be taken under oath which the chairman or acting chairman of the committee is hereby authorized to administer, and there shall be full right to cross-examine all witnesses called and to call evidence in defense and reply. In the event of the non-attendance of the person whose conduct is the subject of such inquiry the committee may upon proof of personal service of the notice aforesaid in accordance with the provisions of this section, which proof of service may be by statutory declaration, proceed with the subject matter of the inquiry in his absence and make their report of the facts without further notice to such person.

20. No action shall be brought against the Council or the committee for anything done bona fide under this Act, notwithstanding any want of form in the proceedings, but any person whose name has been ordered to be erased from the register may appeal from the decision of the Council to any judge of the Court of Queen's Bench for Manitoba at any time within six months from the date of the order for such erasure, and such judge may upon the hearing of such appeal make such order as to the restoration of the name so erased or confirming such erasure, or for further inquiries by the committee or Council into the facts of the case, and as to costs as to such judge shall seem right in the premises.

21. The appeal may be by summons served upon the registrar to show cause and shall be founded upon a copy of the proceedings before the committee, the evidence taken, the committee's report and the order of the Council in the matter, certified by the registrar, and the registrar shall upon the request of any person desiring to appeal furnish to any such person a certified copy of all proceedings, reports, orders and papers upon which the committee have acted in making the order complained of.

22. The said Manitoba Medical Act is hereby amended by adding the following section: "No member of the College of Physicians and Surgeons of Manitoba who is in arrears for his annual fees or any part thereof shall be entitled to vote at elections for members of the Council or be eligible for election as a member thereof."

NORTHWEST TERRITORIES

NOTE.—The political division of Canada formerly known as the Northwest Territories has been divided into the Provinces of Alberta and Saskatchewan. New Medical Practice Acts have been passed for each of the provinces, but have not yet gone into effect, nor have any members of the new boards been appointed. At the present time the Medical Ordinances of the Northwest Territories still remain in force and the members of the Medical Council of the College of Physicians and Surgeons of the Northwest Territories still hold office. The summary of the old Practice Act is, therefore, given, followed by the directory matter for each of the new provinces so far as it was obtainable at the time of going to press.

The following is a summary of the Medical Ordinances and Regulations of the Council affecting registration in the Northwest Territories:

1. "The Council shall admit upon the register any person possessing a diploma from any College in Great Britain and Ireland (having power to grant such diploma), entitling him to practice medicine and surgery, and who shall produce such diploma and furnish satisfactory evidence of identification."

2. "The Council shall admit upon the register any member of any incorporated College of Physicians and Surgeons of any Province of the Dominion of Canada exercising powers similar to those conferred by this Ordinance upon the College of Physicians and Surgeons of the Northwest Territories."

3. "The Council shall admit upon the register any person who shall produce from any college or school of medicine and surgery recognized by the Council of the College of Physicians and Surgeons of the Northwest Territories a certificate or certificates that he has taken a four years' course of lectures and a diploma of qualification from such recognized college or school. Provided, that the applicant shall furnish to the Council satisfactory evidence of identification and pass before the members thereof, or such examiners as may be appointed for the purpose, a satisfactory examination touching his fitness and capacity to practice as a physician and surgeon, and provided that every applicant for such examination shall pay to the Registrar of the College of Physicians and Surgeons of the Northwest Territories the sum of $50 toward defraying the expenses of the Examining Board."

4. "The Council shall have the power to establish conjointly with the Council or Councils of any College or Colleges of Physicians and Surgeons incorporated under any Act of the Legislature of any Province of Canada and possessing powers similar to those conferred on the College of Physicians and Surgeons of the Northwest Territories, a central examining board, and to delegate to such Board all powers possessed by the said Council respecting the examination of candidates for admission to practice medicine and surgery.

"Provided, that such power shall not be exercised unless the persons passing any examination of such central examining board shall, on complying with the laws and rules of the respective councils in other respects, be entitled to registration as legally qualified practitioners in the Provinces whose councils may have conjointly with the said Council established such central examining board.

"Provided, that any examinations conducted by such central examining board shall be held in at least one place within the Territories simultaneously with such examinations held in any Province."

5. Homeopathic physicians may be registered under the Northwest Territories Medical Ordinances, and when an examination is required of them, will be granted an examination in materia medica and therapeutics, the theory and practice of medicine, surgery, obstetrics and diseases of women and children (except the operative parts thereof), by homeopathic examiners.

NOTE.—The Medical Practice Act for the new Province of Alberta, fundamentally the same as that for Saskatchewan (q.v.) was adopted in 1906, but through an oversight on the part of the Legislature of Alberta, is not yet in force. The necessary amendments will doubtless be adopted early in 1907. There are as yet, therefore, no Medical Boards in existence in Alberta.

MEDICAL ACT.

1. This Chapter may be cited as "The Medical Act."

2. In this Chapter unless the context otherwise requires:

(a) The expression "board" means the Provincial Medical Board;

(b) The expression "society" means the Medical Society of Nova Scotia;

(c) The expression "registrar" means the registrar of the Provincial Medical Board;

(d) The expression "medicine" includes surgery and midwifery;

(e) The expression "qualified medical practitioner" or any words importing a person recognized by law as a medical practitioner or member of the medical profession, means a person registered under this Chapter.

3. The Board shall continue to consist of thirteen qualified medical practitioners of not less than seven years' standing, seven to be appointed by the Governor-in-Council and six to be elected by the Society. Five members of the Board shall constitute a quorum.

4. The Board shall be a body corporate, and shall have power to hold and enjoy real and personal property, and may sell, mortgage, lease or otherwise dispose of any such property for the furtherance of the objects of the Board under this Chapter.

5.—(1) Every vacancy in the Board, whether caused by death, resignation, removal from office, expiration of term of office, or otherwise, shall be filled with as little delay as possible by the authority which appointed or elected the person causing such vacancy; so that as far as practicable the Board shall always consist of thirteen members, seven appointed by the Governor-in-Council and six elected by the Society.

(2) In case of the dissolution of the Society, or its neglect or refusal to fill a vacancy within one year after such vacancy occurs, the remaining members of the Board shall appoint a properly qualified person to fill such vacancy.

(3) In case of omission on the part of the Governor-in-Council to fill a vacancy within three months after such vacancy occurs, the Board shall in like manner fill such vacancy.

6. Immediately upon the occurrence of a vacancy, the Board shall communicate the fact to the Governor-in-Council, or to the Society, according as such vacancy is to be filled.

7.—(1) The members of the Board appointed by or on behalf of the Governor-in-Council shall hold office during good behavior.

(2) The members of the Board elected by the Society shall hold office for three years from the date of election; provided, however, that any member of the Board elected to fill a vacancy caused by death, resignation or removal from office shall hold office for the balance only of the term for which the person so dying, resigning or removed from office was originally elected.

(3) The Governor-in-Council may remove any member of the Board upon due cause shown.

8. The Board shall from time to time appoint a qualified medical practitioner, resident at Halifax, to act as its Secretary. He shall attend the meetings of the Board, and keep a record of the proceedings of the same in a book or books to be by the Board provided for that purpose.

9. The Secretary shall also be the Registrar of the Board, and he shall act as Treasurer of the Board, unless the Board appoints another person to that office. He shall be paid out of the moneys to be received, as in this Chapter provided, such salary as the Board, with the approval of the Governor-in-Council, determines.

10.—(1) The Board shall hold an annual meeting in the city of Halifax, at which it shall appoint examiners, fix the times and places of examination, and the remuneration, if any, to be paid to such examiners, and transact all other necessary business.

(2) The Board shall also hold such other meetings as are necessary, at which meetings they shall have the powers and duties conferred upon the Board at the annual meetings.

(3) Any meeting of the Board may be adjourned from time to time to any future date.

(4) The President shall preside at all meetings of the Board, and in his absence some other member to be chosen from among the members present shall act as President. The President or acting President shall have a casting vote only.

(5) Notice of any annual or other meeting of the Board shall be mailed to the members of the Board at least three clear days before the date fixed for such meeting.

(6) The Board may from time to time make regulations respecting the holding of the annual meeting and the other meetings of the Board, and with respect to the business to be transacted thereat, and may from time to time alter, amend or repeal any such regulation or regulations, but no such regulation shall be made, altered, amended or repealed at any meeting unless notice of the proposed regulation or of the proposed alteration, amendment or repeal, as the case may be, is given to each member of the Board in the notice for such meeting.

11. In the absence of any general regulation the President or any five members of the Board may direct the Secretary to summon the Board to meet at such time and place in the city of Halifax as to him or them seems fit, and the Secretary, upon receiving the direction of the President or such five members, shall summon the members of the Board to meet at such time and place by notice mailed not less than three clear days previously to the date fixed for such meeting.

12. The Board shall have power and it shall be its duty to—

(a) Elect such officers as are necessary for the carrying out of the provisions of this Chapter;

(b) Regulate the study of medicine by making rules not inconsistent with this Chapter in respect to preliminary qualifications, the course of study to be followed, professional examinations, and the nature of the evidence to be produced before the Board with respect thereto;

(c) Appoint fit and proper persons to conduct the preliminary examinations, decide upon the times and places for holding such examinations, and fix the remuneration, if any, to be paid to such examiners;

(d) Appoint properly qualified persons to conduct the professional examinations, decide upon the times and places for holding such examinations, and fix the remuneration, if any, to be paid such examiners;

21.—(1) The Board shall admit to registration, upon payment of the registration fee, any person desirous of practicing in Nova Scotia who is duly registered by the General Medical Council of Great Britain.

(2) When and as soon as it appears that there has been established in any other Province of Canada, or in the Northwest Territories of Canada, an examining board similar to that constituted by this Chapter, or an institution duly recognized by the Legislature of any such Province or of the said Northwest Territories, as the sole examining body therein for the purpose of granting certificate of qualification for the practice of medicine, and whereof the curriculum is equivalent to that established by this Chapter, the holder of a certificate of qualification from any such examining body or institution, shall upon due proof be entitled to registration by the Board, if the same privilege is accorded by such examining board or institution to those holding certificates of qualification from the Board.

25. No person shall be entitled to recover in any court of law any charge for medical or surgical advice or attendance, or for the performance of any operation, or for medicines or medical or surgical appliances which he has supplied or furnished, unless he proves upon the trial that he is registered under this Chapter; Provided, that nothing in this section shall apply to the sale by qualified druggists or chemists of articles properly belonging to their business.

26. No person otherwise duly qualified under this Chapter shall be refused registration on account of his adopting or refusing to adopt the practice of any particular theory of medicine. In case of such refusal by the Board, the person aggrieved shall have the right to appeal to the Governor-in-Council, who upon due cause shown may issue an order to the Board to register the name of such person.

27. Every person registered under this Chapter who has obtained any degree or qualification other than that in respect to which he has been registered, may have such other degree or qualification inserted in the register in substitution for or in addition to the qualification previously registered, on the payment of such fee as the Board appoints.

28. No qualification shall be entered on the register, either on the first registration or by way of addition to the registered name, unless the Board is satisfied by sufficient evidence that the person claiming to have such qualifications entered is entitled thereto; and any entry which is proved to the satisfaction of the Board to have been fraudulently or incorrectly made shall by direction of the Board be erased from the register.

29. Any medical practitioner who has been sentenced to imprisonment in a penitentiary, or who after due inquiry has been adjudged by the Board to have been guilty of infamous conduct in any professional respect, shall thereby forfeit his right to registration, and if registered his name shall, by the direction of the Board, be erased from the register.

31. Any person who neglects or omits to be registered under this Chapter shall not be entitled to any of the rights or privileges conferred by the provisions of this Chapter.

32.—(1) The Registrar shall before the 1st day of August in every year cause to be published in the Royal Gazette of this province, and in such other manner as the Board appoints, a correct list in alphabetical order, according to the surnames, with the respective residences (in the form set forth in the schedule to this Chapter or to the like effect) and medical titles, diplomas and qualifications, with the dates thereof, of all persons appearing on the medical register on the 30th day of June in such year.

(2) Any list purporting to be so printed and published as aforesaid, shall from the said first day of August until the same date in the next following year be prima facie evidence in all courts of justice that the persons therein specified are registered according to the provisions of this Chapter; and the absence of the name of any person from such list shall, during the same period, be prima facie evidence that such person is not registered according to the provisions of this Chapter; Provided, that in the case of any person whose name does not appear in such list a certified copy under the hand of the Registrar of the entry of the name of such person on the register shall be evidence that such person is registered under the provisions of this Chapter.

33. Every person who wilfully procures or attempts to procure himself to be registered under this Chapter or any amendment thereto by making or producing any false or fraudulent representation, statement or declaration, either verbally or in writing, and every person who knowingly aids or assists therein, shall be liable to a penalty of not less than one hundred dollars.

34. If the Registrar makes or causes to be made any wilful falsification in any matter relating to the registers mentioned in this Chapter or either of them, he shall for every such offense be liable to a penalty of not less than one hundred dollars.

35.—(1) If any person not registered under the provisions of this Chapter practices, or in any manner or by any means whatsoever professes to practice, medicine, surgery or midwifery for hire, gain, or hope of reward, or advertises in any manner or by any means whatsoever to give advice in medicine, surgery, or midwifery, he shall be liable to a penalty not exceeding twenty dollars for each day that he so practices, professes to practice, or advertises.

(2) If any person wilfully pretends to be a physician, doctor of medicine, surgeon or general practitioner, or assumes any title, addition or description other than he actually possesses and is legally entitled to, he shall for each such offense be liable to a penalty not exceeding one hundred dollars.

36. Every person not registered under the provisions of this Chapter who takes or uses any name, title, addition or description implying or calculating to lead people to infer that he is registered under this Chapter, or that he is recognized by law as a physician, surgeon or accoucheur, or as a licentiate in medicine, surgery or midwifery, shall for each such offense be liable to a penalty not exceeding one hundred dollars.

37. All penalties or sums forfeited under the provisions of this Chapter shall be recoverable with costs, and may be sued for and recovered in the same manner as a private debt by the Board or by any qualified medical practitioner in any of the courts of this Province having jurisdiction in actions of debt to the extent of eighty dollars or upwards. All such penalties or sums when recovered shall belong to the Board for the use thereof under this Chapter.

38. In any trial under this Chapter the burden shall be upon the person charged to prove that he is duly registered under this Chapter, and in the absence of proof that he is so registered it shall be conclusively presumed against him that he is not so registered under this Chapter.

39. No suit or action for the recovery of any penalty under this Chapter shall be commenced after the expiration of one year from the date of the offense or act complained of.

40.—(1) Nothing in this Chapter shall prevent any competent female from proctising midwifery in this province, except in the city of Halifax.

(2) In the city of Halifax no female shall practice midwifery unless and until she first fulfills such conditions as the Board by regulation or by-law appoints, and satisfies the examiners appointed by the Board for that purpose of her competency, and obtains from the Board a diploma or certificate of qualification, and has been registered as hereinbefore provided.

(3) In lieu of an examination, the Board may accept from any such midwife practicing or proposing to practice in the city of Halifax a diploma or certificate from a recognized lying-in hospital which provides a regular course of instruction and requires an examination equivalent to that required by the Board.

41. Nothing in this Chapter shall prevent any person from giving necessary medical or surgical aid or attendance to anyone in urgent need thereof; Provided, that such aid or attendance is not given for hire or gain, and that the giving of it is not made a business or way of gaining a livelihood by such person.

42. Any person who at any time before the 1st day of July, A. D., 1899, commenced the study of medicine for the purpose of qualifying himself to practice the same in this Province, and who at any time before the 1st day of July, A. D., 1902, complies with the conditions and provisions in that behalf contained in the Revised Statutes, fifth series, Chapter twenty-five, and Acts in amendment thereof, and in the rules and regulation made thereunder and now in force, shall be entitled to registration under this Chapter.

2. The medical profession of Ontario heretofore incorporated under the name and style of "The College of Physicians and Surgeons of Ontario," shall be and shall be deemed to have been from the date of its first establishment a body corporate by the name aforesaid, having perpetual succession and a common seal, with power to acquire, hold and dispose of chattel property and real estate for the purposes of this Act, and to sue and be sued in the manner usual with such corporations. R.S.O. 1887, c. 148, s. 2.

3. Every person registered according to the provisions of the Act passed in the twenty-ninth year of the reign of Her Majesty, chaptered 34, of the Act passed in the thirty-second year of the reign of Her said Majesty, chaptered 45, of the Act passed in the thirty-seventh year of the reign of Her said Majesty, chaptered 30, of chapter 142 of the Revised Statutes of Ontario, 1877, or of the Act passed in the fifty-fourth year of the reign of Her Majesty, chaptered 27, or of any Act amending or consolidating any of the said Acts shall be a member of the said College of Physicians and Surgeons of Ontario. R.S.O. 1887, c 148, s. 3; 54 V. c. 27, s. 1.

4. Every person hereafter registered under the provisions of this Act shall also be a member of the said College. R.S.O. 1887, c. 148, s. 4.

5. There shall be a Council of the said College of Physicians and Surgeons of Ontario to be appointed in the manner hereinafter provided for in this Act, and hereinafter referred to as "The Council." R.S.O. 1887, c. 148, s. 5.

6.—(1) The Council shall be composed of the following persons:

(a) One member to be chosen from each of the Universities, Colleges and other bodies hereinafter designated, to wit: The University of Toronto, the Queen's University and College of Kingston, the University of Victoria College, the University of Trinity College, the Royal College of Physicians and Surgeons, Kingston, the Toronto School of Medicine, Trinity Medical School, the Ottawa University, Regiopolis College of the Western University, and of every other university, college or body in the province now by law authorized, or which may be hereafter authorized to grant degrees in medicine and surgery, and which establishes and maintains to the satisfaction of the College of Physicians and Surgeons of Ontario, a medical faculty in connection therewith.

(b) Five members to be duly elected by the licensed practitioners in homeopathy who have been registered under this Act, or under the provisions in that behalf of any of the Acts mentioned in Section 3 of this Act.

(c) Seventeen members to be elected in the manner hereinafter provided from amongst and by the registered members of the profession other than those mentioned in the preceding clauses of this Section.

(2) No teacher, professor or lecturer of any of the bodies in this Section mentioned shall hold a seat in the Council except as a representative of the body to which he belongs.

(3) All members of the Council, representing the bodies aforesaid, shall be practitioners duly registered under this Act or the Acts mentioned in Section 3 of this Act.

(4) The seventeen members to be elected as aforesaid shall be residents of the several territorial divisions for which they are elected, and any member who, during the term for which he was elected, ceases to reside in the division for which he was elected shall thereby vacate his office as such member.

(5) One member shall be so elected from each of the territorial divisions mentioned in Schedule A to this Act by the registered practitioners of medicine resident in such division; and the manner of holding such election shall, with respect to the time thereof and the taking the votes therefor, be determined by a by-law to be passed by the Council; and in default of such by-law being made, then the Lieutenant-Governor shall prescribe the time and manner of holding such election. R.S.O. 1887, c. 148, s. 6; 56 V. c. 27, s. 2 (1-2).

7.—(1) The members of the Council shall be elected or appointed as the case may be, for a period of four years; but any member may resign his appointment at any time by letter addressed to the president or registrar of the Council; and upon the death or resignation of any member of the Council, it shall be the duty of the registrar forthwith to notify the body in respect to which the vacancy has occurred, of the death or resignation, and such body shall have the power to nominate another duly qualified person to fill the vacancy; or if the vacancy be caused by the death or resignation of any member elected from a territorial division, or by his becoming disqualified owing to his having ceased to reside therein, or in case a new election is requisite on account of a decision of the Judge upon a contested election, the registrar shall forthwith cause a new election to be held in such territorial division, and the election shall be conducted in accordance with the by-laws and regulations of the Council, but it shall be lawful for the Council during such vacancy to exercise the powers hereinafter mentioned. R.S.O. 1887, c. 148, s. 7 (1); 56 V. c. 27, s. 2 (3); 56 V. c. 27, s. 4; 60 V. c. 3, s. 3.

(2) In the event of the death or resignation of any member of the Council representing the practitioners of the homeopathic system of medicine, the remaining representatives of the homeopathic system in the Council may fill such vacancy by selecting from amongst the duly registered practitioners in homeopathy a person to fill the said vacancy. R.S.O. 1887, c. 148, s. 7 (2).

(3) The Registrar shall, not more than 60 nor less than 40 days before the time for receiving nominations for any election under this Act, notify, by letter or post card, every registered medical practitioner in the province of the date of receiving such nominations. 56 V. c. 27, s. 3 (3).

8. The persons entitled to vote under this Act at any election shall be all duly registered practitioners. R.S.O. 1887, c. 148, s. 8.

9.—(1) Any member of the College of Physicians and Surgeons of Ontario, may have his name transferred from one class of voters to any other class on his presenting to the registrar a certificate duly signed by the member or members of the Board of Examiners appointed by the Council to examine candidates on the subjects specified in this Act, as peculiar to each School of Medicine, testifying that the member so applying to have his name so transferred has shown a sufficient knowledge of the system of Medicine with which he desires to connect himself, to entitle him to be admitted to the class to which he desires to be transferred, and on being so admitted he shall be entitled to vote in that class only.

(2) No member shall be entitled to return to the class from which he has been transferred without the sanction of the Council; but no member shall at any time be entitled to vote in more than one class of the voters who in accordance with the provisions of this Act, vote in the election of the members of the Council; and there shall be payable to the registrar for such transfer a fee of $2. R.S.O. 1887, c. 148, s. 9.

10. In case of any doubt or dispute as to the legality of the election of any member of the Council it shall be lawful for the Council to hold an inquiry and decide who is the legally elected member of the Council; and the person whom they decide to have been elected shall be and be deemed to be the member legally elected; and if the election is found to have been illegal the Council shall have power to order a new election. R.S.O. 1887, c. 148, s. 10.

11.—(1) In case the validity of the election of any member of the Council is contested, the same shall be tried by the senior or other officiating judge of the County or District Court of the county or district in which the person whose election is complained of resides, and the proceedings thereon shall mutatis mutandis be the same (as nearly as may be) as in the case of municipal election under the Sections of The Municipal Act, relating to controverted elections, but no security by the complainant shall be necessary.

(2) Any person qualified to vote at the election complained of may be the relator in proceedings under this section.

(3) The decision of the said judge shall be final. 56 V. c. 27, s. 24.

12.—(1) The Council may make such rules and regulations as to the times and places of meetings of the Council, and the mode of summoning the same, as to the Council seems expedient; which rules and regulations shall remain in force till altered at any subsequent meeting; and in the absence of any rule or regulation as to the summoning of meetings of the Council it shall be lawful for the president thereof, or, in the event of his absence or death, for the registrar to summon the same at such time and place as to him seems fit, by circular letter to be mailed to each member.

(2) In the event of the absence of the president from any meeting, the vice-president or, in his absence, some other member to be chosen from among the members present shall act as president.

(3) All the acts of the Council shall be decided by the majority of the members present, not being less than nine in number.

(4) At all meetings the president for the time being shall have a casting vote. R.S.O. 1887, c. 148, s. 11.

13. There shall be paid to the members of the Council such fees for attendance, and such reasonable travelling expenses, as may from time to time be fixed by by-law passed by the said Council. R.S.O. 1887, c. 148, s. 12.

14. The Council shall annually appoint a president, vice-president, registrar, treasurer, and such other officers as may from time to time be necessary for giving effect to this Act, who shall hold office during the pleasure of the Council; and the said Council shall have power to fix by by-law, or from time to time, the salaries or fees to be paid to such officers, and to the Board of Examiners hereinafter mentioned. R.S.O. 1887, c. 148, s. 13.

15. The Council shall appoint annually from among its members an "Executive Committee," to take cognizance of, and action upon, all such matters as may be delegated to it by the Council or as may require immediate interference or attention between the adjournment of the Council and its next meeting; and all such acts shall be valid only till the next ensuing meeting of the Council; but the committee shall have no power to alter, repeal, or suspend any by-law of the Council. R.S.O. 1887, c. 148, s. 14.

Division Associations.

16. In each of the Territorial Divisions described in Schedule A of this Act there may be established a Territorial Division Medical Association, which may be called "The Division Association" of such division; every member of the College of Physicians and Surgeons of Ontario, resident within the said Territorial Division, shall be a member; and the representative in the Council shall be ex-officio chairman of such Division Association. R.S.O. 1887, c. 148, s. 15.

Medical Education.

17.—(1) The Council shall have power and authority to appoint an examiner or examiners for the admission of all students to the matriculation or preliminary examinations, and to make by-laws and regulations for determining the admission and enrolment of students; but any change in the curriculum

of studies fixed by the Council shall not come into effect until one year after such change is made.

(2) Until a homeopathic medical college for teaching purposes is established in Ontario, candidates wishing to be registered as homeopathists shall pass the matriculation examination established under this Act, as the preliminary examination for all students in medicine, and shall present evidence of having spent the full period of study required by the curriculum of the Council, under the supervision of a duly registered homeopathic practitioner.

(3) Such candidates must also have complied with the full curriculum of studies, prescribed from time to time by the Council for all medical students, but the full time of attendance upon lectures and hospitals required by the curriculum of the Council may be spent in such homeopathic medical colleges in the United States or Europe as may be recognized by a majority of the homeopathic members of the Council; but in all homepathic colleges, where the winter course of lectures is only of four months' duration, certified ticket of attendance on one such course shall be held to be equivalent to two-thirds of one six months' course as required by the Council; and when such teaching body has been established in Ontario, it shall be optional for such candidates to pursue in part or in full the required curriculum in Ontario. R.S.O. 1877, c. 148, s. 17.

18. The Council shall from time to time, as it may deem expedient, enact by-laws as to the terms upon which it will receive the matriculation and other certificates of colleges and other institutions not in the Province of Ontario. R.S.O. 1887, c. 148, s. 18.

19.—(1) Graduates in Arts in any university in Her Majesty's Dominions shall not be required to pass the preliminary examination.

(2) Where the Council adopts a lower standard for matriculation than graduation in arts, such standard shall conform to the curriculum of the universities in the province for the academic year to which such standard applies, or to the course of study prescribed for junior or senior matriculation in Arts or to the examinations prescribed by the Department of Education for the leaving examinations of high schools. 54 V. c. 26, s. 1.

20. The Council shall have power and authority to fix and determine from time to time a curriculum of studies to be pursued by the students, and such curriculum of studies shall be observed and taught by all bodies referred to in Section 6 of this Act. R.S.O. 1887, c. 148, s. 20.

Medical Registration.

21. The Council shall cause to be kept by the registrar, a book or register, in which shall be entered the name of every person registered according to the provisions of this Act or of the Acts mentioned in Section 3 of this Act; and, from time to time the names of all persons who have complied with the enactments hereinafter contained, and with the rules and regulations made or to be made by the Council respecting the qualifications to be required from practitioners of medicine, surgery and midwifery in this province; and those persons only whose names are inscribed in the book or register above mentioned shall be deemed to be qualified and licensed to practice medicine, surgery or midwifery in this province, except as hereinafter provided, and such book or register shall at all times be open, and subject to inspection by any duly registered practitioner in Ontario, or by any other person. R.S.O. 1887, c. 148, s. 21.

22. The registrar shall keep the register correct and in accordance with this Act, and the orders and regulations of the Council, and shall erase the names of all registered persons who shall have died, and he shall from time to time make the necessary alterations in the addresses and qualifications of the persons registered under this Act, and to enable the registrar duly to fulfill the duties imposed upon him, he may write a letter to any registered person, addressed to such person according to his address on the register, for the purpose of inquiring whether such person has ceased to practice or has changed his residence, and if no answer shall be returned to such letter within the period of six months from the mailing thereof the registrar may erase the name of such person from the register; Provided always that such name shall be restored to the register on compliance with other provisions of this Act. 54 V. c. 26, s. 9.

23.—(1) It shall be optional for the Council to admit to registration all such persons who are duly registered in the medical register of Great Britain, or are otherwise authorized to practice medicine, surgery and midwifery in the United Kingdom of Great Britain and Ireland, upon such terms as the Council may deem expedient.

(2) Any person who was actually practicing medicine, surgery or midwifery or any of them in Ontario, prior to the 1st of January, 1850, and who has attended one course of lectures at any recognized medical school, shall, upon such proof as the Council may require, be entitled to registration under this Act.

(3) Any person who was actually practicing medicine, surgery or midwifery according to the principles of homeopathy before the 1st day of January, 1850, and for the six years preceding the 24th day of March, 1874, in Ontario, may in the discretion of the representatives of the homeopathic system of medicine, be admitted to registration under this Act. R.S.O. 1887, c. 148, s. 23.

(4) Any legally qualified medical practitioner according to the laws of the Province of Manitoba, who was residing and practicing in the territory now constituting the District of Rainy River at and before the date of the Order of Her Majesty in Council with respect to the westerly boundary of this Province, and who on the 4th day of May, 1894, still resided in the said district shall, upon production of a certificate of qualification to practice medicine, surgery and midwifery from "The College of Physicians and Surgeons of Manitoba," be entitled to be registered as a Practitioner of Medicine, Surgery and Midwifery in the said district without the payment of any fee for being registered or undergoing an examination, but subject to the other conditions and regulations applicable to the medical profession in Ontario. 54 V. c. 27, s. 1.

24. Every person who possesses any one or more of the qualifications described in schedule B to this Act, attained prior to the 23d day of July, 1870, shall, on payment of a fee to be fixed by by-law of the Council, not exceeding $10, be entitled to be registered on producing to the registrar the document conferring or evidencing the qualification or each of the qualifications in respect whereof he seeks to be so registered, or upon transmitting by post to the registrar, information of his name and address, and evidence of the qualification or qualifications in respect whereof he seeks to be registered, and of the time or times at which the same was or were respectively attained; but no one registered under the Acts mentioned in Section 3 of this Act shall be liable to pay any fee for being registered under this Act. R.S.O. 1887, c. 148, s. 24.

25. Every person desirous of being registered under the provisions of this Act, and who had not become possessed of any one of the qualifications in Schedule B mentioned, before the 23d day of July, 1870, shall, before being entitled to registration, present himself before the Board of Examiners, mentioned in Section 28, for examination as to his knowledge and skill for the efficient practice of his profession; and upon passing the examination required, and proving to the satisfaction of the Board of Examiners that he has complied with the rules and regulations made by the Council, and on the payment of such fees as the Council may by general by-law establish, such person shall be entitled to be registered, and, in virtue of such registration, to practice medicine, surgery and midwifery in this province. R.S.O. 1887, c. 148, s. 25.

26. When and as soon as it appears that there has been established a "Central Examining Board," similar to that constituted by this Act, or an institution duly recognized by the Legislature of any of the other provinces of the Dominion of Canada, as the sole examining body for the purpose of granting certificates of qualification, and wherein the curriculum is equal to that established in Ontario, the holder of any such certificate shall upon due proof be entitled to registration by the Council of Ontario, if the same privilege is accorded by such Examining Board or Institution to those holding certificates in Ontario. R.S.O. 1887, c. 148, s. 26.

27. At the annual meeting of the Council in each year there shall be elected by the members of the Council a "Board of Examiners," whose duty it shall be to examine, at least once in each year, all candidates for registration in accordance with the by-laws, rules and regulations of the Council; such examinations to be held at Toronto or Kingston at such times and in such manner as the Council by by-law directs. R.S.O. 1887, c. 148, s. 28.

28. The Board of Examiners appointed under the preceding section shall be composed as follows:—one member from each of the teaching bodies now existing, referred to in Section 6 of this Act, and one from every other school of medicine which may be hereafter organized in connection with any university or college which is empowered by law to grant medical or surgical diplomas; and a number not less than six members to be chosen from among those members of the College of Physicians and Surgeons of Ontario, who are unconnected with any of the above teaching bodies. R.S.O. 1887, c. 148, s. 29; 56 V. c. 27, s. 5.

29. A candidate who, at the time of his examination, signifies his wish to be registered as a homeopathic practitioner, shall not be required to pass an examination in either materia medica, or therapeutics, or in the theory or practice of physics, or in surgery or midwifery, except the operative practical parts thereof, before any examiners other than those approved of by the representatives in the Council of the Homeopathic System. R.S.O. 1887, c. 148, s. 30.

30. The Council shall from time to time as occasion may require, make orders, regulations, or by-laws for regulating the registers to be kept under this Act, and the fees to be paid for registration, and shall from time to time make rules and regulations for the guidance of the Board of Examiners, and may prescribe the subjects and modes of the examinations, the time and place of holding the same, and generally may make all such rules and regulations in respect of such examinations not contrary to the provisions of this Act, as they deem expedient and necessary. R.S.O. 1887, c. 148, s. 31.

31. Every person registered under this Act who obtains any higher degree or any qualifications other than the qualification in respect of which he has been registered, shall, on the payment of such fees as the Council appoints, be entitled to have such higher degree or additional qualifications inserted in the register in substitution for, or in addition to, the qualification previously registered. R.S.O. 1887, c. 148, s. 32.

32.—(1) No qualification shall be entered on the register either on the first registration or by way of addition to a registered name unless the registrar is satisfied by proper evidence that the person claiming is entitled to it; and any appeal from the decision of the registrar may be decided by the Council; and any entry proved to the satisfaction of the Council to have been fraudulently or incorrectly made, may be erased from the register by an order in writing of the Council.

(2) In the event of the registrar being dissatisfied with the evidence adduced by the person claiming to be registered, he shall have the power, subject to an appeal to the Council, of refusing registration until the person claiming to be registered has furnished such evidence duly attested by oath or affirmation, before the Judge of the County Court of any county. R.S.O. 1887, c. 148, s. 33.

33.—(1) Where any registered medical practitioner has either before or after the passing of this Act, and either before or after he is registered, been convicted either in Her Majesty's Dominions or elsewhere of an offense, which if committed in Canada, would be a felony or misdemeanor, or been guilty of any infamous or disgraceful conduct in a professional respect, such practitioner shall be liable to have his name erased from the register.

(2) The Council may, and upon the application of any four registered medical practitioners, shall, cause enquiry to be made into the case of a person alleged to be liable to have his name erased under this section, and on proof of such conviction or of such infamous or disgraceful conduct, shall cause the name of such person to be erased from

the register: Provided, that the name of a person shall not be erased under this section on account of his adopting, or refraining from adopting the practice of any particular theory of medicine or surgery, nor on account of a conviction for a political offense out of Her Majesty's Dominions, nor on account of a conviction for an offense which though within the provisions of this section ought not, either from the trivial nature of the offense, or from the circumstances under which it was committed, to disqualify a person from practicing medicine or surgery.

(3) The Council may order to be paid out of any funds at their disposal such costs as to them may seem just to any person against whom any complaint has been made which when finally determined, is found to have been frivolous and vexatious. R.S.O. 1887, c. 148, s. 34.

34.—(1) Where the Council directs the erasure from the register of the name of any person, or of any other entry, the name of that person or that entry shall not be again entered on the register, except by the direction of the Council, or by the order of a Divisional Court of the High Court of Justice. R.S.O. 1887, c. 148, s. 35 (1); 54 V. c. 26, s. 3.

(2) If the Council think fit in any case, they may direct the registrar to restore to the register any name or entry erased therefrom either without fee or on payment of such fee, not exceeding the registration fee as the Council may, from time to time, fix; and the registrar shall restore the same accordingly. R. S. O. 1887, c. 148, s. 35 (2).

35.—(1) The Council shall for the purpose of exercising in any case the powers of erasing from and of restoring to the register the name of any person or any entry, ascertain the facts of such case by a committee of their own body not exceeding five in number, of whom the quorum shall be not less than three, and a written report of the committee may be acted upon for the purpose of the exercise of the said powers by the Council. R.S.O. 1887, c. 148, s. 36 (1); 54 V. c. 26, s. 4.

(2) The Council shall from time to time appoint, and shall always maintain a committee for the purpose of this section, and, subject to the provision of this section, may from time to time determine the constitution, and the number and tenure of office of the members of the committee.

(3) The committee shall meet, from time to time, for the despatch of business and subject to the provisions of this section, and of any regulations from time to time made by the Council, may regulate the summoning, notice, place, management and adjournment of such meetings, the appointment of a chairman, the mode of deciding questions, and generally the transaction and management of business including the quorum, and if there is a quorum the committee may act notwithstanding any vacancy in their body. In case of any vacancy the committee may appoint a member of the Council to fill the vacancy until the next meeting of the Council.

(4) A committee under this section may, for the purpose of the execution of their duties under this Act, employ, at the expense of the Council, such legal, or other assessor or assistant as the committee may think necessary or proper; and the person whose conduct is the subject of inquiry shall also have the right to be represented by counsel; Provided, that all meetings of any such committee when held for taking evidence or otherwise ascertaining the facts shall be held within the county where the member complained of resides or the alleged offense was committed.

(5) At least two weeks before the first meeting of the committee to be held for taking the evidence or otherwise ascertaining the facts, a notice shall be served upon the person whose conduct is the subject of inquiry, and such notice shall embody a copy of the charges made against him, or a statement of the subject matter of the inquiry, and shall also specify the time and place of such meeting; the testimony of witnesses shall be taken under oath, which the chairman or acting chairman of the committee is hereby authorized to administer, and there shall be full right to cross-examine all witnesses called and to call evidence in defense and reply; in the event of the non-attendance of the person whose conduct is the subject of such inquiry, the committee may, upon proof of personal service of the notice aforesaid in accordance with the provisions of this section, which proof of service may be by statutory declaration, proceed with the subject matter of the inquiry in his absence and may make their report of the facts without further notice to such person. R.S.O. 1887, 148, s. 36 (2-5).

36. No action shall be brought against the Council or the committee for anything done bona fide under this Act, notwithstanding any want of form in the proceedings, but any person whose name has been ordered to be erased from the register may appeal from the decision of the Council to a Divisional Court of the High Court, at any time within six months from the date of the order for such erasure, and the Court may, upon the hearing of the appeal, make such order as to the restoration of the name so erased or confirming such erasure, or for further inquiry by the committee or Council into the facts of the case, and as to costs as to the Court shall seem right in the premises. R.S.O. 1887, c. 148, s. 37; 54 V. c. 26, s. 5.

37. The appeal may be by motion, notice of which shall be served upon the registrar, and shall be founded upon a copy of the proceedings before the committee—the evidence taken, the committee's report and the order of the Council in the matter—certified by the registrar, and the registrar shall, upon the request of any person desiring to appeal, and upon payment of the sum of five cents per folio furnish to any such person a certified copy of all the proceedings, reports, orders and papers, upon which the committee acted in making the order complained of. R.S.O. 1887, c. 148, s. 38; 54 V. c. 26, s. 6.

38. Upon any inquiry under Section 33 of this Act either party may without leave or order obtain and issue from the High Court of Justice for Ontario a subpoena commanding the attendance and examination of any witness and also the production of any documents, the production of which could be compelled at the trial of an action to and before the committee and at the time and place mentioned in the subpoena; and disobedience to the subpoena shall be deemed a contempt of Court, but the person whose attendance is required shall be entitled to the like conduct money and payment of expenses and for loss of time as upon attendance at a trial. 54 V. c. 26, s. 7 part; 58 V. c. 12, s. 63.

39. Publication of Register.

42.—(1) The registrar of the Council shall from time to time under the direction of the Council cause to be printed and published a correct register of the names in alphabetical order according to the surnames, with the respective residences in the form set forth in Schedule C to this Act, or to the like effect, together with the medical titles, diplomas and qualifications with the dates thereof, of all persons appearing on the register as existing on the day of publication; and such register shall be called "The Ontario Medical Register"; and a copy of such register for the time being purporting to be printed and published as aforesaid, shall be prima facie evidence in all Courts, and before all justices of the peace, and others, that the persons therein specified are registered according to the provisions of this Act, and, subject to the provisions of sub-section 2 of this Section, the absence of the name of any person from such copy shall be prima facie evidence that such person is not registered according to the provisions of this Act.

(2) In the case of any person whose name does not appear in such copy, a certified copy under the hand of the registrar of the Council, of the entry of the name of such person on the register, shall be evidence that such person is registered under the provisions of this Act. (3) No certificate shall be issued to any practitioner who is indebted to the College for any sums payable to the College, nor until the annual fee for such certificate prescribed by the by-laws of the College under this Act is paid.

(4) If a practitioner omits to take out such annual certificate he shall not be entitled thereto until he pays to the College the certificate fee as aforesaid together with any other fees or dues which he owes to the College.

(5) After twelve months' default in taking out such certificate, and if two months' notice of such default be given by registered letter addressed to the registered address of such defaulter, the registrar shall, if payment has not been made by the defaulter, erase the name of the medical practitioner so in default from the register, and the provisions of this Act as to unregistered medical practitioners shall forwith apply to such medical practitioner.

(6) Such medical practitioner may, unless otherwise disqualified under this Act, at any time after his name is so erased by the registrar, obtain re-registration by applying to the registrar and paying all arrears of fees and dues owing to the College, under this Act, and taking out his certificate as herein provided and he shall be thereupon reinstated to the full privileges enjoyed by other registered medical practitioners under this Act. 54 V. c. 26, s. 8.

45.—(1) The provisions of sections 43 and 44 of this Act shall only continue in force so long as the by-laws of the said Council passed on the 28th day of June, 1895, adopting the same remains in force, and the Council may repeal the said by-law and may by by-law from time to time re-enact the said provisions in whole or in part, or with such

57. In any trial under this Act the burden of proof as to registration shall be upon the person charged. R.S.O. 1887, c. 148, s. 53.

58. In all cases where proof of registration under this Act is required to be made the production of a printed or other copy of the register, certified under the hand of the registrar of the Council for the time being shall be sufficient evidence of all persons who are registered practitioners, in lieu of the production of the original register; and any certificate upon such printed or other copy of the register, purporting to be signed by any person in his capacity of registrar of the Council under this Act shall be prima facie evidence that such person is the registrar, without any proof of his signature or of his being in fact the registrar. A fee of two dollars shall be paid for such registration and a certificate thereof.

15. No qualification shall be entered on the register, either on the first registration or by way of addition to a registered name, unless the Registrar is satisfied by proper evidence that the person claiming is entitled to be registered, and any appeal from the decision of the Registrar may be decided by the Council and any name proved to the satisfaction of the Council to have been fraudulently or incorrectly entered may be erased from the register by an order in writing of the Council.

16. It shall also be lawful for the Registrar upon the order of the Council, to publish in any newspaper or newspapers published in Prince Edward Island, the name or names of any person or persons unlawfully practicing medicine in this Province without registration.

19. 20. At least five days before any meeting of the Council to be held for the purpose of

hearing any application under Section 17, notice shall be served upon the person whose conduct is the subject of enquiry, and such notice shall embody a copy of the charges made against him, or a statement of the subject matter of the enquiry, and shall also specify the time and place of such meeting. The Council shall have the right to examine the witnesses on oath, which the President or acting President is hereby authorized to administer; as also to receive the affidavits or solemn declarations of persons residing out of this Province, sworn to or made before any notary public. In the event of the non-attendance of the person whose conduct is the subject of such enquiry, the Council may upon the proof of the personal service of the notice aforesaid, in accordance with the provisions of this section, which proof may be by solemn statutory declaration, proceed with the subject matter of the enquiry in his absence, and determine the same.

21. Every person licensed or registered under the provisions of this Act shall be entitled, according to his qualification or qualifications, to practice medicine, surgery and midwifery, or any of them, as the case may be, in the Province of Prince Edward Island, and to demand and recover in any court with cost of suit, reasonable charges for professional aid, advice and visits, and the costs of any medicine or other medical or surgical appliances rendered or supplied by him to his patients.

22. No person registered under the provisions of this Act shall be liable to any civil action for negligence or malpractice, by reason of professional services requested or rendered, unless such action be commenced within twelve months from the date, when in the matter complained of, such professional services terminated.

23.—(1) The Registrar of the Council shall under the direction of the Council cause to be printed and published once in two years, a corrected copy of the register containing the names of all persons registered, in alphabetical order, according to the surnames, with the respective residences, together with the medical titles, diplomas and qualifications conferred by any college or body with the dates thereof, as existing on the day of the publication; and a copy of such register for the time being, purporting to be so printed and published as aforesaid, shall be prima facie evidence in all Courts and before all Justices of the Peace, that the persons therein specified are registered according to the provisions of this Act, and subject to the provisions of sub-section two of this section, the absence of the name of any person from such copy shall be prima facie evidence that such person is not registered according to the provisions of this Act.

(2) In the case of any person whose name does not appear in such copy, a certified copy under the hand of the Registrar of the entry of the name of such person on the register, shall be evidence that such person is registered under the provision of this Act.

24.—(1) If any person procures or causes to be procured his registration under this Act, by means of any false or fraudulent representation or declaration, either verbal or in writing it shall be lawful for the Registrar, upon receipt of sufficient evidence of the falsity or fraudulent character of such representation or declaration, to represent the matter to the Council, and upon the written order of the President, attested by the seal of the Society, to erase the name of such person from the register, and to make known the fact and the cause of the erasure, by notice to be published in any newspaper or newspapers published in Prince Edward Island, and after such notice has appeared, the person whose name has been erased shall cease to be a member of the society, and shall cease to enjoy any of the privileges conferred by registration under this Act, and shall not be entitled to enjoy the same at any future time without the express sanction of the Council.

(2) If any person wilfully procures or attempts to procure himself to be registered under this Act, by making any false or fraudulent representation or declaration, either verbal or in writing, he shall on conviction thereof, before any Justice of the Peace or Stipendiary Magistrate, incur a penalty not exceeding fifty dollars; and every person knowingly aiding and assisting him therein, shall for such offense on conviction thereof, incur a penalty of not less than ten dollars, nor more than twenty-five dollars for each offense.

25. It shall not be lawful for any person not registered (or licensed) under this Act, to practice medicine, surgery or midwifery, for hire, gain or hope of rewards, and if any person not registered or licensed pursuant to this Act, for hire, gain or hope of reward, practices or professes to practice medicine, surgery or midwifery, or advertises in any manner or by any means whatsoever to give advice in medicine, surgery or midwifery, he shall upon a summary conviction thereof before any Stipendiary Magistrate or two Justices of the Peace for any and every such offense, pay a penalty not exceeding twenty-five dollars.

26. Any person who wilfully or falsely pretends to be a physician, doctor of medicine, surgeon or general practitioner, or assumes any title, addition or description other than he actually possesses, and is legally entitled to, or that he is recognized by law as a physician, accoucheur or a licentiate in medicine, surgery or midwifery, shall be liable upon a summary conviction thereof before any Stipendiary Magistrate or two Justices of the Peace, to a penalty not exceeding twenty-five dollars.

27. No person shall be entitled to recover any charge in any court of law for any medical or surgical advice or attendance, or for the performance of any surgical operation, or for any medicine which he may have prescribed or supplied unless he is registered, licensed or otherwise authorized under this Act. But this section shall not extend to the sale of any drug or medicine by any storekeeper, chemist or druggist.

28. No person shall be appointed as a medical officer, physician or surgeon in any branch of the public service in this Province, or in any hospital or other charitable institution, unless he is registered under the provisions of this Act; and no certificate required by any Act now in force, or hereafter to be passed, from any physician, surgeon or medical practitioner shall be valid unless the person granting or signing the same is registered under this Act.

29. Any prosecution under this Act may be brought or heard before any Stipendiary Magistrate, or before two or more Justices of the Peace, having jurisdiction where any such offense has been committed and the Stipendiary Magistrate or Justices may award payment of costs in addition to the penalty; and in case the penalty and costs awarded by him or them are not upon conviction forthwith paid, may commit the offender to the common jail, there to be imprisoned for any term not exceeding one month, unless the penalty and costs are sooner paid.

30. Any person convicted under this Act who gives notice of appeal against the decision of the convicting Stipendiary Magistrate or Justices shall be required, before being released from custody to give to the Stipendiary Magistrate or Justices satisfactory security for the amount of the penalty, costs of conviction and appeal.

31. Every prosecution under this Act shall be commenced within six months from the date of the alleged offense.

32.—(1) All penalties recovered under this Act shall be paid to the convicting Stipendiary Magistrate or Justices, and by him or them paid to the Registrar, and shall form part of the funds of the Council.

(2) Any person may be prosecutor or complainant under this Act, and the Council may allot such portion of the penalties recovered as may be expedient towards the payment of such prosecutor.

33. Any person aggrieved by the decision of the Registrar in any matter under the provisions of the Act, shall have the right to appeal to the Council, which appeal shall be heard by the Council within one month of the service of the notice of appeal; and any person aggrieved by any decision of the Council shall have the right to appeal to the Supreme Court of this Province, which appeal shall be final. An appeal from the Registrar to the Council may be by a written notice, to be served on the Registrar within ten days after the decision appealed from is made. The appeal from any decision of the Council to the Supreme Court shall be by summons signed by any Judge of that Court, which must be issued within ten days after the making of the decision appealed from, and must be served upon the Registrar or President of the Council within ten days of the granting of the summons. Provided always that no such summons shall be granted, unless and until the party appealing, shall have given security to the satisfaction of the judge granting the same, for the payment of the costs of such appeal. The cost of such appeal shall be in the discretion of the Judge hearing the appeal.

34. It shall be lawful for the Council to re-hear any case decided by them upon the production of new and reliable evidence, by the party applying for such re-hearing.

35. The majority present at the annual meetings or at any special meeting of the Society, called for that purpose may make such regulations and by-laws as they consider not contrary to the provisions of this Act, for carrying out the purposes of the same, such by-laws and all by-laws made by the Council, to be submitted for the approval of the Lieutenant Governor, in Council, before such by-laws shall have any force or effect; Provided always that nothing in this Act or such regulations or by-laws, shall be construed to prevent any medical practitioner who may be registered as aforesaid, from giving medical treatment or advice to any person, by reason of such person having previously engaged the services of any other physician.

36. The majority of the Council at any meeting of the Council may make by-laws, rules and regulations, and from time to time repeal, alter and amend the same respecting the following subjects:—Rules of order; the mode of calling meetings of the Council; the number to constitute a quorum of the Council; the duties of the Council's officials; the holding of examinations under Section Ten of this Act, and the subject of such examinations; the fees to be charged for the examinations and the fee for registration; the appointment of properly qualified persons to conduct the examinations; decide upon the time and place for holding such examinations and fix the remuneration, if any, to be paid to such examiners; the government of the Council's officials and employes, and all such other matters as may be found necessary for the carrying out of the provisions of this Act. And all by-laws of the Council made under this Act must be approved by the Society at a general meeting thereof, before coming into force, and all official Acts of the Council which concern the medical profession shall be subject to an enquiry by the Society, which shall have power to alter or reverse the same as it may deem fit.

37. Nothing in this Act shall prevent any person from giving necessary medical or surgical aid or attendance to any person in urgent need of it, provided that such aid or attendance is not given for hire, or gain, nor the giving of it made a business or way of gaining a livelihood by such persons; and nothing in this Act shall be construed to prevent any woman from practicing midwifery, or to prevent any person from practicing dentistry, or treating cases of cancer by external application, and to charge for such service and to sue for and recover reasonable charges in a court of law, or to prevent any druggist, apothecary or storekeeper from suing for and recovering the price of any drugs or chemicals supplied by him.

38. Nothing in this Act shall prevent any person not holding a medical degree, license or diploma from any university or college, from practicing medicine providing such person has been engaged in such practice in this Province for twelve years immediately before the passing of this Act, or from demanding and recovering in any court of law, with cost of suit, reasonable charges for professional or other medical or surgical appliances rendered or supplied by him to his patients.

39. Any person aggrieved by the decision of any Stipendiary Magistrate, or of any Justice or Justices of the Peace, shall have the right to appeal to the Supreme Court of this Island; the procedure in such appeals to be the same as that which now prevails in appeals from judgment of or convictions before such Stipendiary Magistrates, or Justice or Justices of the Peace in similar cases.

40. The Council shall have power to establish conjointly with the Council or Councils of any college or colleges of physicians

and surgeons, incorporated under any Act of or the North West Territories, and possessing powers similar to these conferred upon the Council by this Act, a central examining board, and to delegate to such central examining board all the powers possessed by the Council respecting the examination of candidates for admission to practice medicine, surgery and midwifery; provided that such powers shall not be exercised unless the persons passing any examination of such central examining board, shall, on complying with the laws and rules of the respective Councils or Boards in each such Province, or in the said North West Territories, be entitled to registration as legally qualified practitioners in the provinces or territories, whose Councils or Boards may have conjointly with the Council established such central examining board; provided further that any examinations conducted by such examining board shall be held at least in one place within this Province, simultaneously with such examinations held in any of the said other provinces, or in the said North West Territories.

41. The Medical Council shall upon receiving information that any member of the Society has removed to another province or country and engaged in the practice of his profession, and taken up his residence in said province or country, cause his name to be erased from the medical register, after two years absence, unless said party desires to continue membership by paying all dues and annual assessments of the Council.

42.—(1) This Act shall go into operation and take effect from and after the first day of July, A. D., 1899, and from and after that day the Act Fifty-fifth Victoria, Chapter Forty-two, entitled, "The Medical Act, 1892," and the act to amend the same shall be repealed; but such repeal shall be subject to the condition and qualification hereinafter provided.

(2) Any person being at the time a resident in this Province, and who, at any time between the first day of July, 1896, and the first day of July, 1899, has commenced the study of medicine for the purpose of qualifying himself to practice the same in this Province, and who complies with the conditions and provisions in that behalf contained in the Acts hereby repealed, and with the rules and regulations made thereunder and now in force, and who, after the first day of July, 1899, pursues and completes the remainder of his studies under the conditions and provisions of this Act, shall be entitled to be registered under this Act.

(3) The Council and all officers and persons acting under the said Acts hereby repealed, shall continue to Act as if appointed under this Act, until all others are appointed in their stead; and all proceedings taken under the said Acts shall be taken up and continued under this Act when not inconsistent therewith; and all penalties and forfeitures may be recovered, and all proceedings had in relation to matters which shall have happened before the said repeal, in the same manner as if the said Acts hereby repealed were still in force.

(4) All by-laws, orders, regulations, rules and ordinances made under the said Acts hereby repealed shall continue good and valid so far as they are not inconsistent with this Act, until they are annulled or others made in their stead.

(5) No offence committed, and no penalty or forfeiture incurred, and no proceedings pending under the Acts hereby repealed, or under any regulation made thereunder shall be affected by the said repeal.

(6) Every medical practitioner whose name shall appear on the register of the Council on the Thirtieth day of June, A.D., 1899, as a duly registered medical practitioner, shall be considered and deemed to be duly registered under this Act, but subject nevertheless to the provisions thereof.

43. Any proceedings taken before a Stipendiary Magistrate or Justice of the Peace under the provisions of this Act, shall be taken under the provisions of the Summary Convictions' Act of this Province.

AN ACT

To Amend "An Act Respecting the Profession of Medicine and Surgery."

[Assented to 30th April, 1903.]

Whereas, an Act has been passed by the Parliament of Canada, known as the "Canada Medical Act, 1902," having for its chief objects as is set forth in Section 4 thereof, namely:

(a) The establishment of a qualification in medicine such that the holders thereof shall be acceptable and empowered to practice in all the Provinces of Canada.

(b) The establishment of a register for Canada of medical practitioners, and the publication and revision of the same from time to time.

(c) The determining and fixing of the qualifications and conditions necessary for registration, including the courses of study to be pursued by students, the examination to be undergone and generally the requisites for registration.

(d) The establishment and maintenance of a Board of Examiners for examination, and for the granting of Certificates of Qualification.

(e) The establishment of such a status of the medical profession in Canada as shall ensure recognition thereof in the United Kingdom, and enable Canadian practitioners to acquire the right to registration under the Acts of the Imperial Parliament known as the "Medical Acts."

(f) The enactment with the consent and at the instance of the Medical Councils of the various Provinces of Canada of such Provincial Legislation as is necessary to supplement the provisions of this Act, and to effect the foregoing purposes.

And whereas it is expedient and desirable that the privileges contained in said recited "Canada Medical Act," should be placed within the reach of the medical practitioners of this Province.

Be it therefore enacted by the Lieutenant Governor and Legislative Assembly of the Province of Prince Edward Island that the said "Prince Edward Island Medical Act" be amended by adding the following section thereto, namely:

Whenever there is established under the Act of the Parliament of Canada known as the "Canada Medical Act, 1902," or any Act in amendment thereof, a register for Canada of medical practitioners under the control of the Medical Council appointed or elected pursuant to the provisions of the aforesaid Act or Acts: Then notwithstanding anything contained in the said "Prince Edward Island Medical Act," any person duly registered in the said Medical Register for Canada as a medical and surgical practitioner shall be deemed qualified and entitled to be registered in the Medical Register of this Province as a duly qualified medical and surgical practitioner, and shall be so registered upon the production of a certificate under the hand of the Registrar of the said Medical Council for Canada, certifying that such person is duly registered in the said Register for Canada, and upon satisfactory proof of the identity of such person, provided that such person may be required to pay such fee upon such Provincial registration as the Medical Council of this Province may prescribe in that behalf, not exceeding the fee ordinarily charged for registration under the by-laws of the Council of this Province. Provided also that nothing herein contained shall in any way affect or be construed to take away any of the privileges or rights conferred upon the medical profession of this Province by the Act hereby amended.

MEDICAL ACT.

No person shall practice medicine, surgery or midwifery in the Province, unless he has obtained a license from the Provincial Medical Board, which is hereby authorized to issue such license, and unless he be registered in accordance with this section.

Every person who obtains a medical degree or diploma in any university or college mentioned in article 3972 is entitled to such license, without examination as to his medical knowledge and skill, provided that such diploma has only been given after four years of medical study from the date of admission to study, and according to the requirements of this section, and provided also that the Provincial Medical Board has power to grant the same privilege to holders of degrees or diplomas of medicine and surgery from other British, Colonial or French universities or colleges.

The privileges above conferred upon holders of degrees or diplomas from British colleges and universities is hereby extended to every person whose name is entered upon the Medical Register, under the Imperial Medical Act, 1886 (49-50 Victoria, chapter 48), or of any act amending the same.

No person shall be admitted as a student of medicine, surgery or midwifery, unless he has obtained a certificate of qualification from the Provincial Medical Board.

No one is entitled to the license of the College, on presentation of a diploma, unless he has been previously admitted to the study of medicine in accordance with the provisions of this section, or unless he has passed an equivalent preliminary examination before a college, school or board, authorized by law to require and cause such preliminary examinations to be passed in Her Britannic Majesty's other possessions.

At a regular meeting of the Board, after the expiration of the present triennial term, the Provincial Medical Board shall appoint, for three years (and similarly every third year), four persons actually engaged in the work of education in the Province of Quebec, to examine candidates for the study of medicine, surgery and midwifery, on the subjects of general education hereinafter mentioned, as belonging to the preliminary qualification of medical students, viz.:

One examiner speaking the French language and one the English language, for the city of Montreal; and

One examiner speaking the French language and one the English language, for the city of Quebec.

The subjects for the preliminary qualification to be English and French, Latin, geography, history, arithmetic, algebra, geometry, belles-letters and any one of the following subjects: Greek, natural or moral philosophy.

The candidate must present a certificate of good moral character.

Every candidate for a license to practice medicine, surgery and midwifery in this Province, desiring to be registered, and who has not obtained a degree of diploma in medicine, surgery and midwifery, from any of the institutions mentioned in article 3972, shall, before being entitled to such license, and to registration, pass an examination before the Board, as to his knowledge and skill, for the efficient practice of medicine, surgery and midwifery; and, upon passing the examination required and proving to the satisfaction of the examiners that he has, in an institution for the teaching of medicine, in His Majesty's possessions, complied with the rules and regulations made by the Provincial Board, and on payment of such fees as the Board may, by general by-law, establish, such person shall be entitled to such license.

All persons coming from any recognized college outside of His Majesty's possessions, and who are desirous of obtaining a license from the College of Physicians and Surgeons of the Province of Quebec, must previously pass the preliminary examination before the examiners appointed by the Provincial Medical Board, or establish, to the satisfaction of the Board, that they have already passed an equivalent examination.

They must, moreover, follow, in one of the schools of medicine in this Province, a complete course (for six months) of lectures, and such other course or courses as shall be necessary to complete the curriculum required by the Board; they shall also pass the professional examination before the Provincial Medical Board.

Such persons may pass their professional examination immediately after their preliminary examination.

The Board of Governors of the College of Physicians and Surgeons has power:

1. To regulate the study of medicine, surgery and midwifery, by making rules with regard to the preliminary qualifications, duration of study, curriculum to be followed, and the age of the candidate applying for a license to practice;

2. To examine all credentials, all certificates of admission to study or of attendance at lectures and all other documents purporting to entitle the bearer to a license to practice, and all diplomas, degrees or other qualifications sought to be registered in this Province, and to require the bearer thereof to attest on oath (to be administered by the chairman for the time being) that he is the person whose name is mentioned therein, and that he became legally possessed thereof;

3. To register, in the books of the College, the name, age, place of residence and birth of every member of the profession practicing in the Province, the date of his license and the place where he obtained it;

4. To fix the period of probation which persons must undergo before being eligible for election as governors of the College, which period shall not be less than four years; and

5. To make all such rules and regulations for the government and proper working of the corporation, and the election of a president and officers thereof, as may seem meet and expedient, which rules and regulations are submitted to the Lieutenant-Governor in Council, to be approved by him and come into force only after such approval.

The Provincial Medical Board shall, from time to time, as occasion may require, make rules and regulations:

1. Respecting the duties of the examiners, the subjects and mode of the examinations, the time and place of holding the same, and generally all that it may deem expedient and necessary concerning such examinations.

2. Respecting the study of medicine, surgery and midwifery, with regard to the preliminary qualifications, duration of study and curriculum of studies to be followed by the students.

No change in the curriculum of studies fixed by the Board shall, however, come into effect until one year after such change is made.

3. Respecting the appointment of assessors, chosen from its members, or from among the registered members of the College, to attend the medical examinations of the various universities, colleges and incorporated schools of the Province, and to report to the Provincial Board upon the character of such examinations.

Such assessors shall not be chosen out of any of the professors in any one of the said universities or incorporated schools; and should such report be at any time unfavorable to any university, college or incorporated school, the Provincial Board may refuse the license and the registration of the degrees or diplomas of the institutions so reported upon, so long as such examinations have not been amended.

For such purpose the Provincial Board shall appoint or elect assessors, two or more of whom shall attend the examinations at each university, college or incorporated medical school, in accordance with one or more by-laws to be passed by the Board.

Such institutions shall, at least one month previous to such examinations, notify the Provincial Board of the time or times at which their examinations are to be held.

4. Respecting the tariffs of rates to be charged in towns and country, for medical, obstetrical or surgical advice, or for attendance, or for the performance of any operation, or for any medicines prescribed or supplied.

To be valid, such tariff must be approved by the Lieutenant-Governor in Council, and can only come into force six months after its publication once in the Quebec Official Gazette, and that of the order in council approving the same.

Such tariff shall not, in case of suit, obviate the necessity of proof of the giving of the advice, care, prescriptions, medicines and other things therein mentioned, according to the laws then in force.

The Provincial Medical Board has power to fix, by by-law, the salary or fees to be paid to the officers, examiners and assessors appointed by the Board; and also the fees to be paid by candidates entering on the study of medicine, by candidates for license to practice, as well as the fees to be paid for registration.

The Board may dispose of such fees in whatever manner it may think most conducive to the interests of the College.

The qualifications required of a candidate for obtaining a license, authorizing him to practice medicine, surgery and midwifery, are the following:

1. That he holds a certificate of study from a licensed physician for the period intervening between the course of lectures which he has followed.

2. That he has reached the age of twenty-one years.

3. That he has followed his studies during a period of not less than four years, commencing from the date of his admission by the Board to the study of medicine.

4. That, during the said four years, he attended at some university, college or incorporated school of medicine, within His Majesty's possessions, not less than two six months' courses of general or descriptive anatomy, of practical anatomy, of surgery, of practice of medicine, of midwifery, of chemistry, of materia medica and general therapeutics, of the institutes of medicine or physiology and general pathology, of clinical medicine and of clinical surgery, one six months' course or two three months' courses of medical jurisprudence, one three months' course of botany, one three months' course of hygiene, and a course of not less than twenty-five demonstrations upon microscopic anatomy, physiology and pathology.

5. That he attended the general practice of a hospital in which are contained not less than fifty beds, under the charge of not less than two physicians or surgeons, for a period of not less than one year and a half, or three periods of not less than six months each.

6. That he attended six cases of labor and compounded medicine for six months.

Each six months' course shall have consisted of one hundred and twenty lectures, except in the case of clinical medicine, clinical surgery and medical jurisprudence.

Of the four years' study required by this section, three six months' sessions at least shall be passed in attendance upon lectures at a university, college or incorporated school of medicine recognized by the Board.

The first of such courses shall have been attended during the session immediately succeeding the preliminary examination, and the last, during the fourth year of study, and the candidates shall undergo an examination on the final subjects of the curriculum, at the end of session in the fourth year of study.

All persons obtaining the license to practice from the College of Physicians and Surgeons of the Province of Quebec shall be styled members of the College, but shall not be eligible as governors within a period of four years from the date of their admission as members; and the election of governors shall be made under such rules and regulations therefor, and in such manner as the Board of Governors shall ordain.

The members of the College shall pay the sum of two dollars a year.

The Provincial Medical Board has power to make rules and regulations respecting the admission of women to the study and practice

of midwifery in this Province, and determine the degree, the nature and extent of knowledge and qualifications required from them; provided always that all women who, on the 31st October, 1879, were legally qualified to practice as midwives in this Province, whilst required to conform to such rules and regulations as may hereafter be made by the College of Physicians and Surgeons of the Province of Quebec, respecting them, retain that right.

Nothing in this article or in the by-laws which may be made shall prevent women in the country from practicing midwifery or assisting at accouchements, as is often the case, without being admitted to the study or the practice of midwifery; but they must obtain a certificate from a duly licensed physician, certifying that they have the necessary knowledge.

The Provincial Medical Board shall cause to be kept by the registrar a register, in which are successively entered the names of all persons who have been duly licensed and registered under the law, and who have complied with the provisions hereinafter contained, and with the rules and regulations made by the Provincial Medical Board, respecting the qualifications required of persons practicing medicine, surgery and midwifery in the Province.

And those persons only, whose names are inscribed in the above mentioned register, are deemed to be qualified and licensed for such practice.

Such register may, at all times, be inspected by any duly registered practitioner in the Province, or by any other person.

The registrar shall keep the register correctly in accordance with the provisions of this section, and the orders and regulations of the Provincial Medical Board.

He, from time to time, makes the necessary alterations in the addresses or qualifications of the persons registered, and performs the other duties imposed upon him by the Provincial Medical Board.

Under the direction of the Board of Governors, the registrar of the College causes to be printed, published, and distributed to the members of the College, from time to time, a copy of the register of the names of the registered physicians and surgeons, which he places in alphabetical order, inserting their names and surnames, respective residences, medical title, diplomas and qualifications conferred by the College or other medical body, with the dates of the same.

Such register is called the "Quebec Medical Register."

A printed copy of such register, certified under the hand of such register, as such, is prima facie evidence before all courts that the persons therein named and entered have been registered in accordance with the provisions of this section.

The absence of the name of any person from such copy is prima facie proof that such person has not been registered in accordance with the requirements of this section; provided always that, in case a person's name does not appear on such printed copy, a copy or an extract from the register, certified by the registrar of the College, of the entry of such person's name on the register, shall be proof that such person is duly registered.

A certificate, under the hand of the registrar, that any member whose name appears on the register has paid his annual contributions to the College, shall be received in all courts of justice as prima facie evidence that such payments have been made.

Any person required or entitled to be registered under this section, who neglects or omits to be so registered, shall not be entitled to practice medicine, surgery, midwifery or to claim any of the rights and privileges conferred by this section, and shall be liable to all the penalties imposed by it upon any person practicing medicine, surgery or midwifery, without being registered as required, saving the right of certain members holding a license from the College of Physicians and Surgeons of Lower Canada.

Any person who has attended medical lectures during three sessions of any medical school in the British possessions, and who has been actually engaged in the practice of the profession of medicine for a period of over thirty years in this Province, may, on proof of these facts, to the satisfaction of the Provincial Medical Board, and producing, moreover, a certificate signed by two resident medical practitioners, in the neighborhood where he has practiced, that he has succeeded in his profession, and is entitled to the consideration of the Board, be entitled to a license to practice medicine, surgery and midwifery in this Province and to registration without examination.

No person, unless otherwise authorized, shall be entitled to recover any charge, in any court of law, for any medical or surgical advice, or for professional services, or for the performance of any operation, or for any medicine which he may have prescribed or supplied, or be entitled to any of the rights or privileges conferred by this section, unless he prove that he is registered according to law and has paid his annual contribution to the College.

No certificate required by this section or any act now in force, from any physician or surgeon or medical practitioner, is valid, unless the person signing the same be registered under this section.

If the registrar be convicted of a felony, he shall be disqualified from again holding any office in the College.

Any registered member of the medical profession, who has been convicted of felony, in any court of justice, thereby forfeits his right to registration, and the Provincial Medical Board causes his name to be erased from the register.

In case a person, known to have been convicted of felony, presents himself for registration, the registrar shall refuse such registration.

Sec. 4. Penalties and Prosecutions. Any person not entitled to be registered in this Province, who is convicted, upon the oath of one or more witnesses, of having therein practiced medicine, surgery or midwifery in contravention of the provisions of this section, for hire, money, goods, or effects generally whatsoever, or in the hope of receiving any money, goods or effects, or in the hope of a reward, or who receives any reward whatsoever for practicing medicine, surgery or midwifery, shall incur a penalty of fifty dollars.

2. A like penalty of fifty dollars is incurred by every person who assumes the title of doctor, physician or surgeon, or any other name implying that he is legally authorized to practice medicine, surgery or midwifery, in this Province, if unable to establish the fact by legal proof, as required by the present section, and the other laws of the country.

3. Any person who, in an advertisement published in a newspaper, or in written or printed circulars, or on business cards, or on signs, assumes a title, name or designation of such a nature as to lead the public to suppose or believe that he is duly registered or qualified as a practitioner of medicine, surgery or midwifery, or any one of these branches of the medical profession, or any person who offers or gives his services as physician, surgeon or accoucheur, for hire, gain or hope of reward, if he be not duly authorized and registered in the Province, shall, in each case, incur a like penalty of fifty dollars.

4. In every prosecution under this section, the proof of registration is incumbent upon the party prosecuted.

5. The penalties imposed by this section are recoverable with costs, and the same may be sued for and recovered by the College of Physicians and Surgeons of the Province of Quebec, under its corporate name, and belong to the said corporation for the use thereof.

And neither in any such suit nor in any other civil action to or in which the said corporation may be a party or interested, shall any member of the corporation be deemed incompetent as a witness by reason of his being such member.

The penalties imposed by this section may be recovered with costs by an ordinary civil suit in the name of the College of Physicians and Surgeons of the Province of Quebec, before any Circuit Court of the county or of the district in which the defendant is domiciled, or in which the offense was committed; and the court, if the proof is sufficient, condemns the defendant to pay a penalty of fifty dollars, in addition to the costs, within a delay which it determines, and to an imprisonment of sixty days in the common gaol of the district, in default of his satisfying the condemnation within such delay.

The warrant of imprisonment, in such cases, shall issue under the hand of the clerk of the said court, on a written application of the advocate of the prosecutor, and may, mutatis mutandis, be according to form (O 1) in the schedule to chapter 178 of the Revised Statutes of Canada, and shall be executed in the usual way.

In all cases where proof of registration under this section is required the production of a printed or other copy or extract from the register, certified under the hand of the registrar of the College of Physicians and Surgeons of the Province of Quebec, for the time being, is sufficient evidence, in lieu of the production of the original register; that all persons therein named are registered practitioners; and any certificate upon such printed or other copy of the register, or extract from such register, purporting to be signed by any person, in his capacity of registrar of the College, under this section, shall be prima facie evidence that such person is such registrar, without any proof of his signature, or of his being in fact such registrar.

All by-laws, rules and regulations heretofore made by the said College of Physicians and Surgeons of the Province of Quebec remain in force until repealed or modified under the provisions of this section.

It is lawful for the president of the College, if he deem it expedient so to do, at any time, under his hand and seal, to authorize, name, constitute and appoint any person or persons other than any of the officers of the said College, whom he may select, to institute any proceedings against any person who may be supposed to have infringed any of the provisions of this section, and to collect any and all sums of money payable to the said College by any person.

Nothing in this section contained shall be construed to affect the rights of any persons, under the provisions of the following section of this chapter.
